Re: Proposed Rate Increase of Epcor for Mohave District

Docket #WS-01303A-14-0010

Dear Commissioners:

I am opposed to the rate increase as it would take our rate to the highest sewer rate I know about. A rate for our address of \$90 per month is far in excess of our neighboring subdivisions not on Epcor and far in excess of what the rate on our Colorado property is.

I am also opposed because in some areas and states a bond issue would be introduced to cover the cost of capital improvements-re-the sewer plant itself.

I would like you to reconsider the percent of raise for the Mohave District, because in this poor economic climate raising this one utility this high would bring economic hardship on all homeowners in the District.

Sincerely
Janis A. Fairchild
